2016 Call for Applications/Nominations of IRSS Fellowship and Senior Membership

The International Rough Set Society (IRSS) is a non-profit organization dedicated to scholarship in rough sets introduced during the early 1980s by Zdzislaw Pawlak. Principal purpose of IRSS is to promote the study and exchange of ideas concerned with rough set theory, foundations, methods, as well as their extensions and applications. Principal policy of IRSS is to attain this purpose through publications, workshops, international conferences, research projects, and other such activities consistent with the objectives of the Society. Primary function of IRSS is to act as a federation of its Members to accomplish its goals. It is also the policy of IRSS to insist upon the highest standards of scholarship and service from its Members.

IRSS Fellows and Senior Members of the IRSS are elected every year from 2015. Election of IRSS Fellows and Senior Members is a lengthy and rigorous process designed to ensure that the elections are thorough and fair. 1.

Requirements for an IRSS member to apply for or be nominated for IRSS fellowship a) 10 years of IRSS membership, or published the 1st rough set research paper more than 10 years ago; b) Great achievement on rough set research and contribution for the development of IRSS; c) An application with 3 references, or a nomination with 2 references.
